

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF MICHIGAN
SOUTHERN DIVISION

RICHARD CROWELL,

Plaintiff,

v.

BADAWI ABDELLATIF, *et al.*,

Defendant.

Case No. 15-13825

District Judge Arthur J. Tarnow

Magistrate Judge R. Steven Whalen

ORDER

Before the Court is Plaintiff's Motion to Compel Discovery [Doc. #20]. Plaintiff alleges that Defendant Corizon failed to provide requested discovery regarding, among other things, Corizon's contract with the Michigan Department of Corrections, records of all doctors that Corizon fired within the past five years, and copies of all civil complaints filed against Corizon under 42 U.S.C. § 1983 for the past five years. Plaintiff did not include in his motion a "verbatim recitation of each interrogatory, request, answer, response, and objection" that is the subject of his motion, "or a copy of the actual discovery document which is the subject of the motion," as required by E.D. Mich. L.R. 37.2.

I have filed a Report and Recommendation, recommending that summary judgment be granted to Defendant Dr. Abdellatif regarding Plaintiff's Eighth Amendment claim, and that summary judgment be granted to Corizon because (a) it is not subject to

respondeat superior liability, and (2) there was no underlying constitutional violation by Dr. Abdellatif. The Plaintiff's motion is therefore not only con-compliant with this Court's Local Rules, but the discovery he requests is irrelevant, and the relief he requests is moot.

Plaintiff's Motion to Compel Discovery [Doc. #20] is DENIED.

IT IS SO ORDERED.
